AUSTRALIAN WOMEN ARTISTS

Following the success of our tour to the NGV in St Kilda Road last year when local resident, Krystyna Campbell-Pretty, arranged a tour of several portraits she had donated, this year's tour demonstrates the long-overlooked talent of several Australian women artists, focussing once again on works Krystyna has donated, including *Botanic Gardens* by Emmeline Pritchard.

Following the tour, we will have afternoon tea as Krystina's guests.
