

BISHOPS COURT

Needs Our Help

Bishops Court, the home of Melbourne's Anglican Archbishop, is both an historic and iconic residence in East Melbourne. While the home of Archbishops since 1853, it was also the home of two Governors of Victoria during the 1870s.

Bishops Court has hosted East Melbourne residents for many events over the years including the East Melbourne Christmas Party.

See over to see how you can help with the Bishops Court Flagstone Initiative...

The Project

Needless to say, the cost of maintaining the residence is significant. Much needs to be done internally and externally to ensure this home is kept in a manner befitting its importance.

Features of the property badly in need of attention are the flagstones surrounding the home's wide veranda, the bluestone pavers at the main gate and the rising damp in internal walls in the main foyer, kitchen and the drawing room.

To relay the bluestone and flagstone pavers and restore the walls is anticipated to cost over \$180,000.

How you can help

Buy "purchasing" a bluestone paver or flagstone for \$300, you will be contributing to a most important project for BishopsCourt. If we, as residents, can 'sell' 540, we will have made a most significant impact towards the preservation of this unique property.

A "purchase" would make a wonderful and long lasting gift to the heritage of this iconic site.

BISHOPS COURT

Further Benefits

Each donor will be acknowledged on a virtual plaque on the Bishops Court website.

This fund raiser is under the auspices of the National Trust and each donation is a tax deductible gift.

And most important of all ... as a bluestone or flagstone donor you will have left a legacy to ensure future generations continue to enjoy this iconic Melbourne residence.
