Reverend Sir,

I am forwarding ^(ENCLOSED) ~~under separate cover~~ some photographs which I think relate to your parish, in which I once resided.

I am blind, and there is no one here who can check on them, but I think they relate to the original church in George Street, which was burnt down about 1900, and some may be of the building of the present church, I myself took them in my early twenties.

They may be of interest to you or to the authorities of the diocese.

Yours faithfully,

Norman K. Harvey
